Dear Sir,

A PETITION TO PROBE MRS OLUYINKA FAITH AILUFOKHAI, THE SUBSTITUTED EDO LP GUBERNATORIAL RUNNING MATE FOR PERJURY

With great patriotism and in keeping with our mandate to fight corruption, we write to petition your esteemed office to probe and prosecute the substituted Edo State Labour Party (LP) Gubernatorial running mate, Mrs. Oluyinka Faith Alufokhai for perjury.

Mrs. Oluyinka Faith Alufokhai, the erstwhile running mate to Mr. Olumide Akpata of the Labour Party is rumoured to have submitted false information to the Independent National Electoral Commission (INEC). Our independent investigation reveals that, according to the documents submitted to INEC under oath, the candidate is said to have claimed to have obtained her First School Leaving Certificate in the same year she was born. This is entirely false as it is obvious she has doctored her age to criminally deceive INEC and indeed Nigerians. Such despicable act amounts to perjury and deminishes her integrity and prospect for contesting elections to the office of a Deputy Governor.

In line with Section 29(3) of the Electoral Act 2022, INEC recently published the list of governorship and deputy governorship as well as other candidates in their Benin City office, Edo State. A perusal through the document especially form EC9 revealed damning discrepancies. For instance, on page 2 of her affidavit sworn at the Epe Division of the High Court on March 22, 2024, Alufokhai stated that she was born on May 18, 1981 in Imo State; yet on page 4 of the same affidavit, she claimed that she obtained her First School Leaving Certificate in 1981 – the same year she was born.

Regardless of whether she's substituted for her fraudulent dealings or not, we are confident in the ability of the Nigerian Police to deal with this national embarrassment
